

Department of Physics and IT and CS organized workshop on “MICROPROCESSOR AND MICROCONTROLLER” in collaboration with Regal Infotech on 05th OCT. 2021.

Webinar conducted on google meet platform. 100 students from M.sc, TY, SY Physics and IT and CS students participated in webinar. Some passout students of Msc also attended this workshop. This workshop is very useful for developing Projects.

Webinar conducted by guest speaker Mr. Ahmed Shaikh, Regal Infotech, Mumbai.

Miss. Sejal Patel madam introduced speaker and Miss. Rasana Tandel given vote of thanks.

Successfully completed webinar with good responses from students.

Students participate will get certificate from Regal InfoTech after filling feedback form.
