GOKHALE EDUCATION SOCIETY'S
N. B. MEHTA (VALWADA) SCIENCE COLLEGE

BORDI, DIST. PALGHAR, PIN. 401701.

MISSION STATEMENT :

The Gokhale Education Society is committed to the cause of students' empowerment through access to education at all levels and particularly higher education. We aspire to develop world class citizenship through relevant courses under formal & nonformal streams. The Society is further committed to raise the dignity of the teaching profession and to establish a culture of caring and excellence by providing a wide range of professional and vocational courses for the poor and downtrodden as also for the adivasis and the less privileged. We also strive to meet the changing socio economic needs with human values, social responsibility and to achieve excellence with total quality in all activities of life long learning.

AIMS & GOALS :

At N. B. Mehta (Valwada) Science College, we strive to establish a culture of learning and excellence by providing value based education and a wide range of professional and vocational courses for the poor and needy and also for the Adivasis and the underprivileged so as to enable them to meet the changing socioeconomic needs.

THE DECADE AHEAD - VISION STATEMENT :

The College continues to offer quality service in the field of education and upliftment of the tribal and lesser privileged Adivasis of the Palghar belt. In the next ten years, we aspire to add more vocational courses according to the demand of times. We look forward to increasing ICT enabled teaching and learning. Some Science departments will be developed into Research Centres. We shall also venture into developing contacts with various industries so as to help our students get hands on training in commercial projects, facilitate job seeking and establish linkages. The Commerce faculty will be developed and will offer post graduate and management courses.

Core Values :

1. Academic Excellence and Value Education
2. Quality Academics and Faculty
3. Educational Opportunity for the socially marginalized and tribal
4. Research and development
5. Enhancing employability for global competition

GOKHALE EDUCATION SOCIETY'S
N. B. MEHTA (VALWADA) SCIENCE COLLEGE
BORDI, DIST. PALGHAR

GOKHALE EDUCATION SOCIETY :

Gokhale Education Society was founded in 1918 by late Principal T. A. Kulkarni, a veteran social worker. The Society was established on the third death anniversary of Shri. Gopal Krishna Gokhale, an outstanding national leader and an eminent educationist. Gokhale Education Society has completed hundred years of academic service to the society.

The Society, which has always been managed by a team of dedicated teachers, has established many educational institutions in both urban and rural areas. It has taken a keen interest in developing weaker sections, tribal people, industrial labourers and farmers, by starting many educational institutions at Nashik, Bordi, Talasari, Kosbad, Jawhar, Suryanagar, Sangamner, Shriwardhan, Girgaon, Borivali and Parel.

The Society runs more than 100 educational institutions consisting of 15 Degree Colleges, 10 Junior Colleges, 3 Research Centres, 15 Secondary Schools, 15 Pre-primary and Primary Schools and 23 other institutions (including Hostels). The Society provides educational facilities to more than 1 lakh students each year with the help, co-operation and inspiring involvement of about 3000 Teaching and Non - Teaching Staff members.

ABOUT N. B. MEHTA SCIENCE COLLEGE :

The Government of Maharashtra and the University of Mumbai granted permission to the Gokhale Education Society, Nashik to start a single faculty Science College at Bordi from the academic year 1994-95. The college started with one division of F.Y.B.Sc. and became a full fledged degree college of Science in subsequent years. The college has created facilities for the urban as well as rural and adivasi students for higher education in science and has tried to make them self-sufficient and employable in the industrial sectors.

Late Shriman Nagarjibhai Bhagawanjibhai Mehta, from Valwada, served in the G.E.Society's S.P.H. High School, Bordi from 1944 to 1969. He rendered his services with utmost integrity and sincerity. He was a disciple of Acharya Bhise and a follower of Mahatma Gandhi. He came forth with a munificent donation and the college building was constructed by his son Nitinbhai Mehta in accordance with his wishes. The college is named after Shriman Nagarjibhai Mehta. The college is committed to cater to the needs of the area and the residents of Bordi, Gholwad, Borigaon, Dahanu, Jawhar, Mokhada, Talasari and Wada Tahasils. The College has its own beautiful campus of two acres, close to the sea-shore and it functions in its own buildings situated at a distance of about 2 kms. from the Gholvad Railway Station (W.Rly.)

OUR COMPUTER DEPARTMENT - SAU. L. J. PATHARE INSTITUTE OF INFORMATION TECHNOLOGY :

Scientific and technological advancement has influenced every facet of society. Its impact on our daily life has been so immense that it has forced changes in our behaviour and mindset. The rapid development in electronics, computing and communications has led to the creation of Information Technology (IT). The world is undergoing a sea-change due to the phenomenal growth of Information Technology and applications of IT in the form of computerisation and transmission of electronic information. With a view to keep pace with the changing times and to equip ourselves to meet the challenges posed before us in the present competitive era, we undertook to develop a computer training centre which has gradually developed as a centre for courses in IT.

The University of Mumbai had received the permission from the Government to start new courses like B.Sc. in Computer Science on Non-Grant basis in June 1999. Late Mr. Jaykumar Pathare, an industrialist from Kalyan, came forward to help the Society with a generous donation for the proposed computer academy. This enabled us to construct a well equipped separate multi storeyed building for the Institute of Information Technology so that we could cater to the need of advanced education in the field of Information Technology at Bordi Centre. The College has started B.Sc. with Computer Science, a three years integrated degree course, from the academic year 2000-2001 and B.Sc. (IT) from academic year 2001 - 2002 the G.E.Society has proposed to start career oriented UGC recognised courses and the Open University courses in the areas related to Information Technology.

OTHER GRADUATE COURSES :

We offer courses in Biotechnology and Microbiology at the graduate level. Graduate level education in Commerce is also imparted on a permanently non grant basis.

POST GRADUATE COURSES :

The policy of the Government of India is to increase the number of students seeking higher education up to post graduation. G.E.Society is known for providing education for students in rural and tribal regions. We have started P.G. courses- M.Sc. (Chem.) and M.Sc. (Comp. Sci.) from the academic year 2004-05 with the permission of the University of Mumbai. These PG courses and M.Sc. (IT) Course from 2009 have opened the opportunity for many aspiring students in this region to obtain post graduate degree at a place near their home. M.Sc. in Physics has begun from 2017. We have a Research Centre in Physics from 2015-16. We also have begun M.Com in Accountancy from June 2016.

ADDITIONAL CAREER ORIENTED COURSES (UGC RECOGNISED AND SUPPORTED) :

The UGC has approved two courses viz.

1. Certificate course in Food Processing and Preservation.
2. Certificate course in Information and Communication Technology.

Students can enroll for these courses while pursuing graduation studies. These courses are approved by the University of Mumbai and are recognised and supported by the University Grants Commission. The courses comprise theory and practical inputs along with On-The Job training opportunities in the near-by industries.

F.Y.B.Sc. (COMP. Sc.), (IT), & Microbiology, Biotechnology : The admission to Computer Science will be given on the basis of marks obtained in the XIIth Sc. Only those students who have offered Mathematics in XIIth Sc. or equivalent examination are eligible for the F.Y.B.Sc. (Comp. Sci.) / Biotechnology/ IT.

F.Y.B.Sc. (IT) : The College has 60 seats. The admissions are given on first come first serve basis if the number of students applying for F.Y.B.Sc. (IT) are less. If more students apply for seeking admission then the admissions will be given on marks obtained in XIIth Sc. or equivalent examination.

Those students who have offered Mathematics at XIIth Sci. & secured 45% or more marks in XIIth Sc. examination from open category & those students who have offered Mathematics and secured 40% or more marks from reserved category (SC/ST/NT/DT) are eligible for F.Y.B.Sc. (IT) admission.

F.Y.B.Sc. Microbiology : The College has 35 seats. Therefore the admissions will be given on the basis of marks obtained in XIIth Sc.

B.Sc. Bio-technology : The demand for trained workforce in Biotechnology is ever growing in Fundamental Research and Industry sector. Academic and Research sectors also require interdisciplinary trained manpower to further the Biotechnology Revolution.

The present syllabus is restructured in anticipation with the future needs of the Biotechnology Sector with more emphasis on imparting hands-on skills.

The restructured syllabus combines basic principles of Physical, Chemical and Biological Sciences in light of advancements in technology with emphasis on its applications to make the students industry ready.

B.Sc. Computer Science : From the academic year 2016-17, it is decided to re-structure the B.Sc. Computer Science, Programs under the faculty of Science to make it more relevant to the core areas. Board of Studies has re-structured the syllabus with details of admission procedure, eligibility criteria and fee structure for the course.

F.Y.B.Com. : The college has 240 seats. The admissions are given on the basis of Marks obtained in XIIth Com. Those who have offered Accountancy in XIIth Com. are eligible for F.Y.B.Com. admission.

M.Com. : The college has 30 seats. The details of the course are given in the prospectus.

M.Sc. (Chem.) M.Sc. (Comp. Sc.) and M.Sc. I.T. : There are 30 seats for M.Sc. (Chem.) and I.T. each and 20 seats for M.Sc. CS. Admissions are given as per the procedure laid down by the University of Mumbai.

The College is permitted to conduct M.Sc. (Chem.) course specializing in Organic Chemistry.

Ph.D. in Physics :

Career Oriented Courses : We also offer Career Oriented Courses funded and approved by UGC. These courses are meant for our college Students only. They are : 1] Informaiton Communication Technology (ICT). 2] Food processing and Preservation (FPP)

NOTE :

- 1) All admissions to the First year classes (Including post Graduate Course) are provisional and subject to the confirmation of their enrolment by the University.
- 2) Subject once selected cannot be changed without the permission of Principal.
