

On 3.13.  
2022-23  
RSC Workshop  
Chemistry

### Report of the Event

A One Day **workshop** on "Chromatographic Techniques and Industrial Approaches of Organic Chemistry" was organized on 8<sup>th</sup> December 2022 from 8.30 am to 5.00 pm. The event was organized by IQAC and Department of Chemistry, N. B. Mehta (V) Science College, Bordi in collaboration with **Royal Society of Chemistry (WIS)** through offline mode at the conference hall of the college. The workshop was 5<sup>th</sup> event in collaboration with RSC-WIS. The College is thankful to RSC for generously supporting our endeavors.

Dr. Rajesh Lade, Managing Director, Eburon Organics Ltd., GIDC, Sarigam, Vapi and Dr. Jatin Lade, Eburon Organics Ltd., Vapi were the resource persons who enlightened the participants with the "Industrial approaches of organic chemistry" and "Chromatographic techniques" respectively. The workshop was attended by 154 participants from 04 colleges from the nearby areas. The workshop was well appreciated and received overwhelming response from the audience comprising both the teaching staff and students from nearby colleges.

Resource persons Dr. Rajesh Lade and Dr. Jatin Lade interacted with participants cleared doubts of the participants. Feedback of the event has been very encouraging with participants requesting for more such sessions covering different aspects of Chemistry required by the industry.

**IQAC and Department of Chemistry, N. B. Mehta (V) Science College, Bordi, thanks Royal Society of Chemistry (WIS)** for giving us opportunity to organize and providing financial support for the event which will greatly benefit the participants to inculcate the culture of industrial requirements. We are hopeful of your continuous support in our future endeavors.
