take screenshot every time, and after claiming that student was present teacher replies rudely

All teachers trying there best in our college , No words for them. 👍

They are great no need to suggest anything

Observation- Practical teaching is best.  
Teacher- Student interaction is effective.  
Suggestion-Teacher's must encourage research based teaching to increase student's curiosity regarding the subject.

In clg some teacher used Very easy language to explain concept and some teacher do only reading like they are reading book overall is that there some teacher who work hard for students and there are some teacher who only do there duty.
