Subject: College Industry Collaboration for Microbiological Analysis
Of Fruit Pulp

Respected Ma'am,

We Farmado Fruit Blends are a leading Company engaged in manufacturing
Fruit pulps and spray dried fruit powders.

We require expert help in area such as Microbiological analysis of fruit pulp.
Your college is a reputed institution and has a well set laboratory and expertise
in the field.

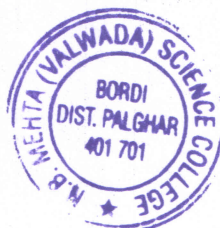

We would like to consult Mr.Vikas Balasaheb Joshi from your microbiology department
and also make use of your laboratory for our purpose.

Kindly permit Mr. Vikas Balasaheb Joshi for the same.

Thanks & Regards
