## Soft Skills lecture series by Dr.Mrs.Anjali Kulkarni (2nd November 2022 to 5th November 2022) :

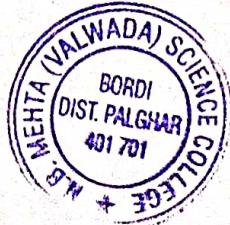

A lecture series on soft skills was arranged by the Department of Biotechnology. The series started with explaining the basic parts of speech, their use in the sentence and worksheet was provided to students for practice. Madam guided the students for how to write the curriculum vitae, resume and difference between both. She emphasized the importance of writing a proper c.v. as it is the first impression that we have on the employee. The lecture emphasized on hard skills, soft skills, importance of group discussion and how it is carried out. Topics like leadership skills, team building were also covered. Madam guided the students by giving various assignments. The same were revised in the next scheduled lecture.

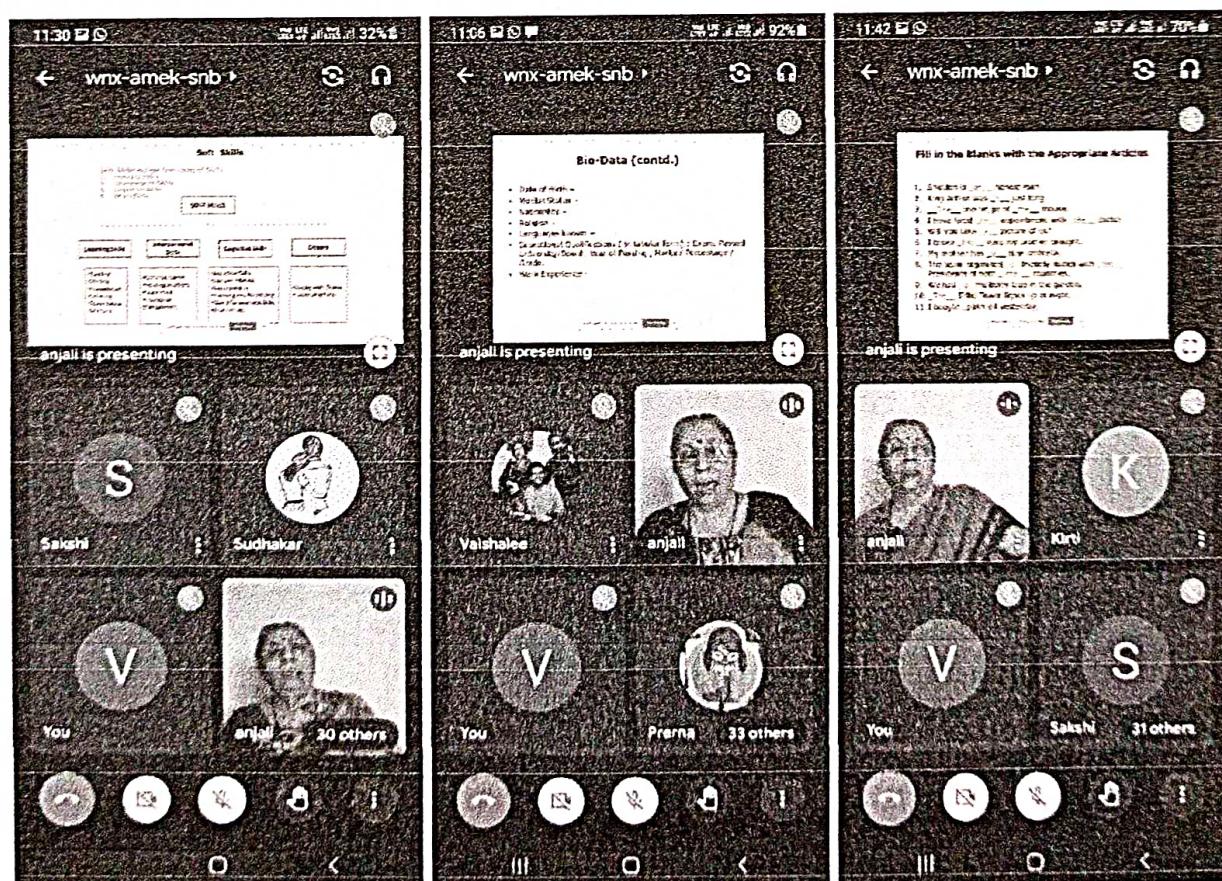

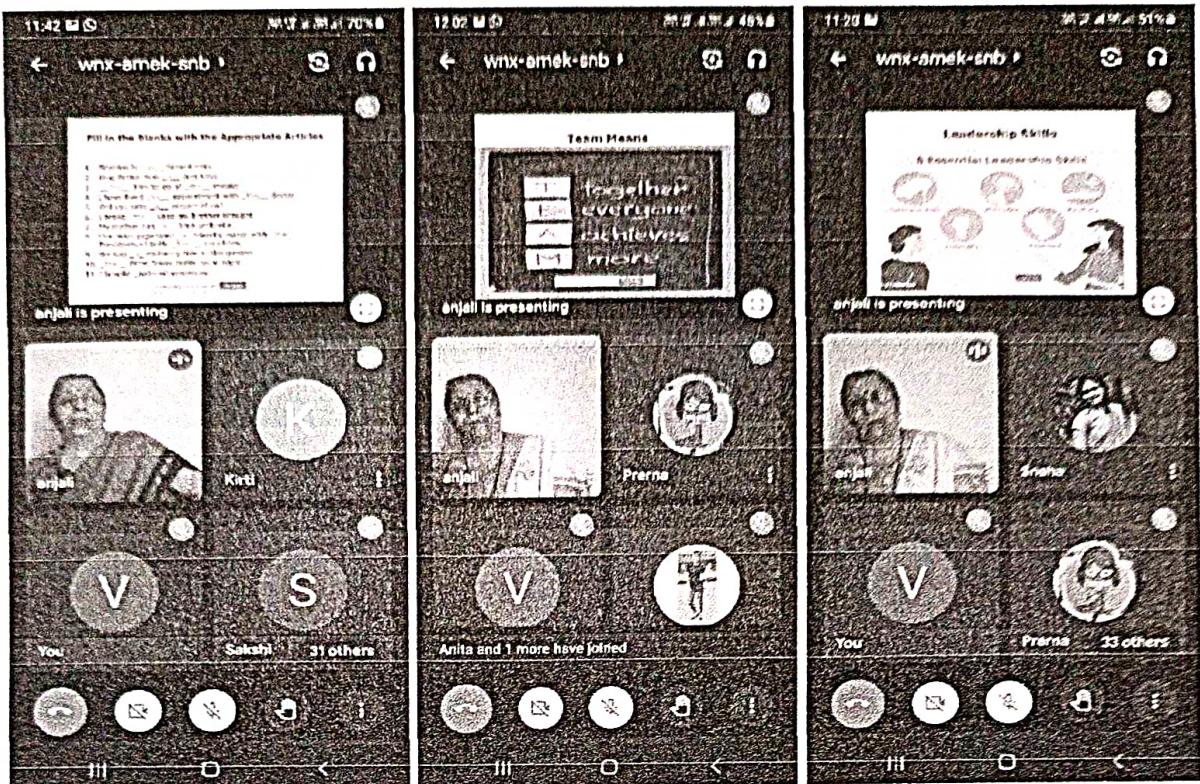

The series ended with the question answer session and the discussions on the feedbacks of the students. The details of the series held are as follows.

## Report for Saturday Katta

12<sup>th</sup> August 2023,

The Saturday Katta for the month of August 2023 was conducted on 12<sup>th</sup> August. The topics selected by participants were quite interesting starting with poems presented by Jyoti Prasad from T.Y., 1<sup>st</sup> poem was inspirational and 2<sup>nd</sup> described motherhood. Next participant Aditi Maurya from S.Y. explained the topic 'Glowing Skin'. She gave lot of remedies to achieve glowing skin. 'Anneliese Michelle' a person whose life was confused between paranormal actions and a disorder was depicted by Sakshi Chavan from T.Y. Astha Maurya from F.Y. described about our body is made up of elements and how they affect our personality and behaviour by the topic 'Elements'. Most sensational glory of India 'Chandrayan – 1,2, was put forward by Prapti Patil and Tanvi Chaudhari from F.Y. They gave all basic information including the latest launched Chandrayan 3. Then our next participant Sapana Patel spoke about the topic 'Mind Set'. She emphasized on different types of minds set 'growing' and 'set'. Then the topic 'Electronic Vehicle' was illustrated by Mrudula Deshmukh from F.Y. She also clarified the pros and cons of EV. Our last speaker of the session Gaurav Dixit informed about the act 'India's Forest Right Act'. The session ended with lots of knowledge and interests rather than bookish knowledge. The session ended well with the strength of 31 students.

# Report for Saturday Katta

21<sup>st</sup> January 2023,

The first Saturday katta of the year 2023 was held on 21<sup>st</sup> January. The session was started at 2 pm and the choices of participants with respect to topics were great. The first participant Dhruv Patel from F.Y. gave important learnings from the movie '3 idiots', which stated run behind excellence not success. Then the second participant Prachi Gaikwad from T.Y. Reflected on the topic 'Why and how Venus flytrap eat insect'. It did increased the knowledge of students regarding Venus flytrap. Next we learned how we can identify if the person is interested in our talk by their body posture depicted by Utkarsha Hatkar from S.Y. with topic 'Body language'. Jay Bhandari from F.Y. then gave us some basic information about some amazing players of team India by topic 'Indian Cricket Team'. One of the sensational issue of the time 'Wadhwan Port' was presented by Disha Mothe from T.Y. . She showed us the advantages and disadvantages of the port. Next Pooja Vishwakarma from F.Y. spoke about 'Meditation', how we can relieve stress and lead a healthy life through it. Lastly Sakshi Chavan from S.Y. presented two poems on father and shared the beauty of father-daughter bond.

All the topic were informative and interesting. The session ended well at 3.15 pm with the strength of 45 students.

## Report on Saturday Katta

23<sup>rd</sup> July 2022

The monthly Saturday session was held on the 23<sup>rd</sup> of July, 2022. It was the first session of our new semester. Since the first-year students were new to the session so we started with an introduction to all the fellow mates. All the students tried their best to introduce themselves with their hobbies. Our first presentation was prepared by the second-year students on the basic topic ' Career in Biotechnology'. They showed the possible specialisations in the field and their related entrance exams. It was indeed quite helpful for everyone. The next participant was Sapna Patel from the SY with the topic 'Impact of the teacher on student's life '. She explained how many unseen roles a teacher plays which many of us aren't aware of and how much we should be grateful to our dear teachers. The next topic was 'Books' presented by Seema Yadav from the TY. She tried to interpret the importance of books in our daily life and showed us the variety of genres. Our next topic was quite interesting since it was a creation by our fellow mate Ujala Barnwal. She had written poems on the theme 'Army', 'Role of our family members' and 'Dreams'. Everyone felt connected to her poems. The last presentation was based on 'Courage to be disliked 'by Sharda Jha from the TY. The title was related so much to our lives as now and then we think a million times before saying even the right things. She explained how we should be confident and give up second thoughts in terms of the right aspects. Indeed all the topics were quite interesting and informative. The session ended well with the strength of 31 students.

## Report of Saturday Katta

19 December 2021,

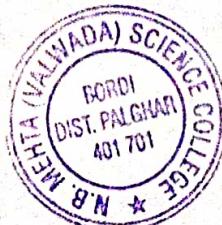

The Saturday Katta for the month of December was held on 19<sup>th</sup> of December on Sunday. It was the first Katta for first year students so Eesarah Kazi from second year initiated the Katta by addressing the first year students about the Katta.

The participants were from S.Y. and T.Y. students. The topics of this session varied from different field like Sidhi Raut from T.Y. spoke on Xenobots the latest discovery in robotics and synthetic biology , Vaishali Rajput also from T.Y gave us an idea about the real life career choice were many of the students share their opinion, Namrata Singh talked about a social issue which exists from years in our country specially i.e. Female foeticide where also students shared their views and their thoughts, the next participant was Amit from S.Y. who acknowledged us with his topic- Adult education and lastly Disha Mothe from S.Y. talked about the importance of meditation so the topics spread from new discoveries to career advice to social talks and also health.

Though the audience were not maximum considering it was a Sunday morning it was an interactive session organized by Ravda and Eesarah. Also there was a short discussion on the movies where many students share there views.

This Saturday Katta ended with a lots of interactive talks and knowledge.

# Report

The Kalta for the month of January was held on 16 Jan 2020. The first Kalta of the year 2020 was full of energy and the student participants came up with new interesting topics.

Naitik from fy spoke on the topic Biotech sector in India and USA in which his focus was the comparison between the biotechnology in US vs in India. This made us aware & gave us a reality check. The statistics were shocking.

NCC Cadet from SY Sharayu Deshmukh spoke about "NCC". She described all the details regarding its high profile jobs & exams and not forgetting her enthralling experience of being a cadet.

The participation of third year students was more. Three students spoke on three very efficient topics / motivational speakers. Khusboo Thakker made us aware about the 'Nasofilters'. These were made by the student of IIT-Bombay. The filters are an alternative option to cope up with the increasing pollution. Ekchata Khanderkar talked about the motivational speaker Nick Vujicic. An inspiring personality, a life to be taken as an example.

Last but not the least Roshan Chanchlani spoke the burning issue of 'Climate Change'. The topic which has no end & no start in discussions but no start in practice.

## SATURDAY KATTA

Department of biotechnology of N.B. Mehta Science College organized it's katta on 29th of November 2019. All the students from F.Y, S.Y, T.Y participated in the katta. Two students from F.Y, two from S.Y and only 1 student from T.Y participated in the katta with their topics.

The katta was initiated by Rushikesh Mistry from F.Y on topic dinosaurs. As rushikesh was unable to give complete knowledge on dinosaurs his topic will be further continued by Tahira from S.Y.

The second participant from F.Y was Siddhi Raut who gave us knowledge about types of pollution faced by our country.

The third participant was Komal Choudhary from S.Y with topic hallucination. The fourth participant from S.Y was Yrinabh Jondlekar on topic mangroves which was an essential topic to be discussed. The last participant from T.Y was Jhaanvi Mehta who shared her views on topic

## Report for Saturday Katta

28<sup>th</sup> August 2021,

The Saturday Katta for the month of August 2021 was conducted on 28th August. The speakers were from the second year and third year Biotechnology department. The topics for the session were quite interesting starting from the topic of dreams presented by Miss.Sayuri Kini. Her presentation started from the meaning of dreams to fast facts about dreams and different types of dreams. The next topic was rising price of petrol presented by Mr. Jatin Thakkur. He had chosen a trendy topic on the petrol prices which is nowadays quite expensive. He discussed about causes of high petrol prices and gave a social message for it that is "SAVE FUEL, SAVE ENVIRONMENT". Our next contestant was Miss. Renu Kushwaha with the topic of self-confidence. Self-confidence is quite important for building our personality and she shared a detailed opinion about it and informed us about the types of self-confidence and its benefits. Her presentation was more effective due to her self-confidence of explaining. Nowadays due to the coronavirus and lockdown, people are being nostalgic about their pre-corona life so to explain that feeling, Miss.Sharda Jha presented the topic Nostalgia effect. The session ended with the topic Mystery of the glowing sea presented by Miss.Siddhi Raut. She informed us about the phenomena of bioluminescence and different kind of living organisms that perform bioluminescence for different purposes.

This month's session was full of knowledge and facts rather than just book knowledge. Indeed all the students found the topics quite relatable and interesting.

## **Report of Saturday Katta (February 2022)**

The Saturday Katta for the month of February 2022 was organized offline on 26th February 2022, since the colleges have started offline. It began at 10:00 am. Before starting of the session all the students from TY, SY and FY introduced themselves one by one.

The participants were from all the three classes. The first speaker was Mr. Anurag Mishra from SY Biotech and his topic was Environment and Pollution. The second speaker was Mr. Sunny Chauhan (S.Y.) who spoke on the topic Medical Biotechnology. To make the session a little more interactive Ms. Eesarah conducted a slang quiz. After that, Ms. Kirti Surti from F.Y. Biotech delivered a speech on Marketing with lots of enthusiasm. The last participant was from TY, Ms. Jyoti Maurya who gave us information about Corpse Museum.

Though it was the first offline katta, the enthusiasm among the audience was good and it was indeed an interactive session.

## Report for Katta

31<sup>st</sup> July 2023,

The first katta of the academic year 2023-24 was held on 31<sup>st</sup> July 2023 from 2pm till 3.30pm. The speakers were from S.Y and T.Y biotechnology. The session started with the topic 'Nalanda University' by Kirti Surti from T.Y. Presentation was about the greatest university of India and its destruction. Most sensational topic of the time 'UCC- Uniform Civil Code' was presented by the group of students including Utkarsha Hatkar, Rudraksh Surti, Prerna Raut, Niranka Patil. Basic information along with pros and cons about the UCC law were discussed displayed by them. Next participant Nohid Peerzada spoke about an environmental issue 'Buxwaha Jungle Case'. She delivered some particulars about how the jungle maintains the ecological system along with being a source for many livelihoods. And due to Diamond mining project this jungle will be demolished, tearing down the life of animals and humans residing there. After that Maharashtra politics was put forward by Shruti Nayak with the topic 'Maharashtra's Games of Throne'. She displayed the current situation of politics and stating the value of voting a right candidate. All the topics selected were interesting and informative and presented well by the participants. Katta ended well with the total of 30 students.

## Report of Biotech Katta

24th January 2024,

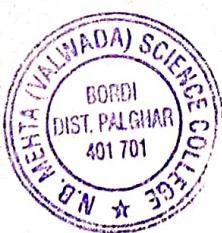

The first Biotech Katta of the year 2024 was held on 24th January 2024. The speakers were from the first year and second year Biotechnology department. The topics for the session were quite interesting starting from the topic of 'Diabetes' presented by Mr. Rudraksh Surti from S.Y. His presentation started by the definition of Diabetes, how it is caused, symptoms and preventive measures on how to control it. The next topic was about 'Snakes' presented by Mr. Diganta Talukdar from S.Y. in which he explained the major venomous snakes, the types of venom, etc. It was quite an interesting and interactive presentation. Our next participant was Miss. Mrudula Deshmukh from S.Y. with the topic of 'The Bhopal Gas tragedy'. She explained how the tragedy occurred, what effects it caused to the region and most importantly the people. There are some places in the world where the scientific principles and reasoning does not imply, such a place is the Jagannath Puri Temple which is presented by Miss. Pallavi Raut from F.Y. by her topic 'Mysterious Temple'. The next topic was about 'The scientific reasons behind Indian traditions' presented by Miss. Kriyeshi Raut from F.Y. How different Indian traditions have an overall effect on the people's health, its benefits, and the science behind it was presented in a very creative way. The session ended with the topic 'Classical Dance' presented by Miss. Pooja Vishwakarma from S.Y. She informed us about various Indian dance forms, stances and mudras which has a great importance in this art form.

This month's session was full of knowledge and facts, which was quite interactive and interesting. The topics chosen were really informative. The session ended well with the strength of 27 students.

## Department of Botany Field Trip Report 2022-24

- A field excursion to **Saputara hill station** in Gujarat was organized from **20<sup>th</sup> January 2022 to 23<sup>rd</sup> January 2023**. Total 38 students participated in the excursion guided by 3 teaching staff, Dr.Onkar Kotiwar(Associate Professor), Mr.Avadhesh Shashi Dhar (Assistant Professor) and Ms.Monali Bari (Assistant Professor). A total of **127 plant species** were observed and studied for their medicinal and economic importance. Students also took part in adventure activities.
- On **17<sup>th</sup> February**, **86 students** participated in field excursion to **The Jungle Farm in Aswali Forest** guided by Dr.Onkar Kotiwar (Associate Professor), Mr.Avadhesh Shashi Dhar (Assistant Professor) and owner of the jungle farm, Mr.Suryahas Chaudhary. **103 plant species** were studied specifically for their medicinal uses.
- Students of S.Y Botany visited **Veermata Jijabai Udyan and Zoo** as a part of their study tour on **8<sup>th</sup> January 2024**. The trip was led by Dr.Onkar Kotiwar (Associate Professor) and Mr.Avadhesh Shashi Dhar (Assistant Professor). A total of **50 plants were listed** from the historic garden. Students also visited the Zoo during this visit.
- On **1<sup>st</sup> and 2<sup>nd</sup> February**, students of F.Y Botany participated in a field excursion to the **Jungle Farm and Aswali forest** of Bordi. The study tour was led by Dr.Onkar Kotiwar (Associate Professor) Mr.Priyank Gogari (Assistant Professor) and Mr.Avadhesh Shashi Dhar (Assistant Professor). A total of **145 plants were studied and observed** for their ethanobotanical uses. Students also participated in various soft adventure activities and forest trek.

## **Soft Skills lecture series by Dr.Mrs.Anjali Kulkarni (2nd November 2022 to 5th November 2022) :**

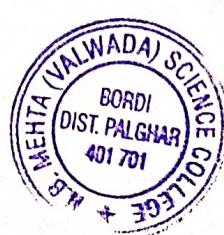

A lecture series on soft skills was arranged by the Department of Biotechnology. The series started with explaining the basic parts of speech, their use in the sentence and worksheet was provided to students for practice. Madam guided the students for how to write the curriculum vitae, resume and difference between both. She emphasized the importance of writing a proper c.v. as it is the first impression that we have on the employee. The lecture emphasized on hard skills, soft skills, importance of group discussion and how it is carried out. Topics like leadership skills, team building were also covered. Madam guided the students by giving various assignments. The same were revised in the next scheduled lecture.

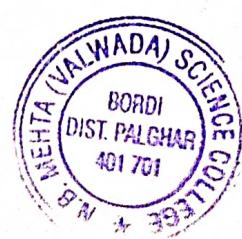

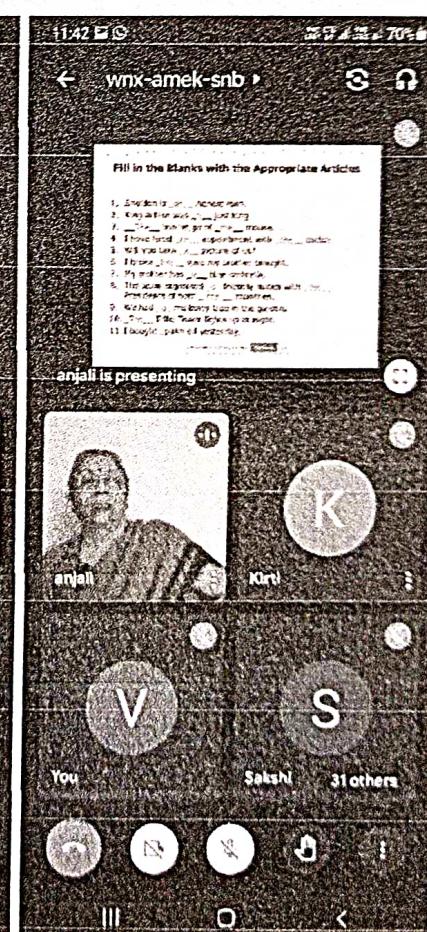

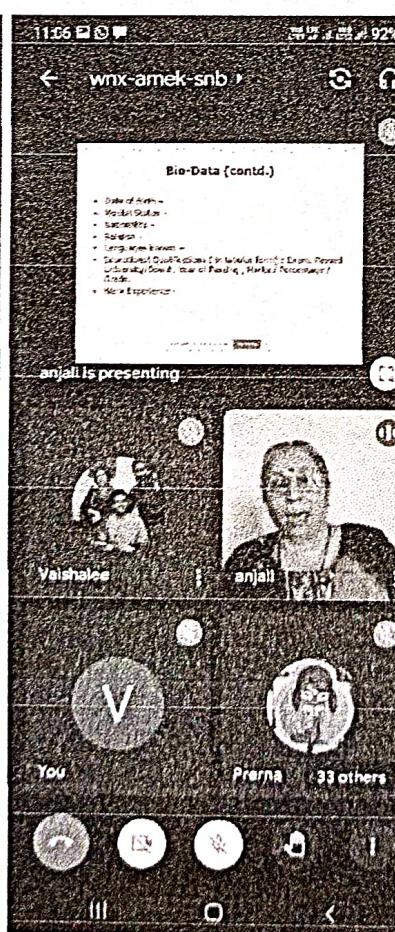

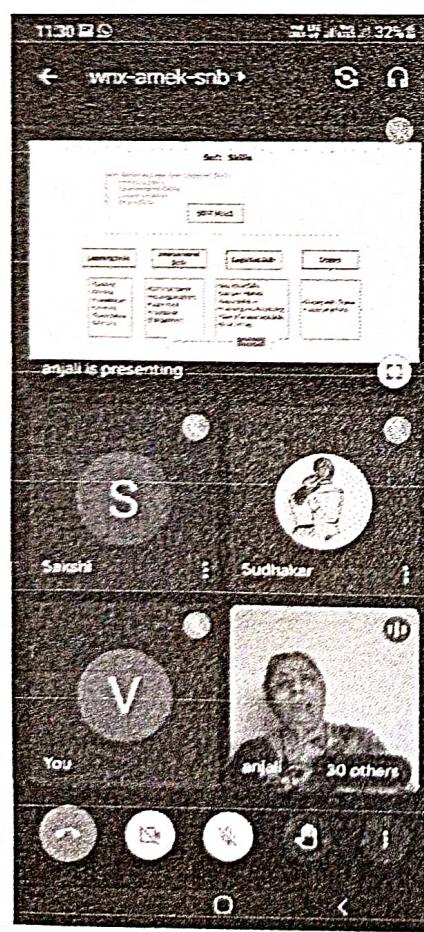

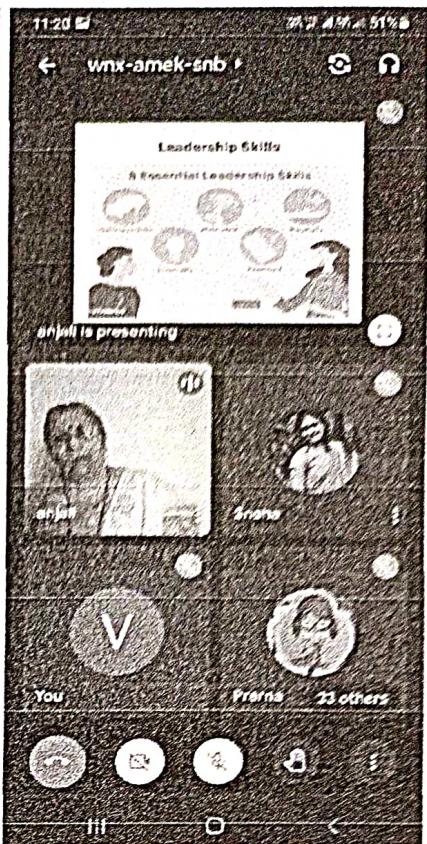

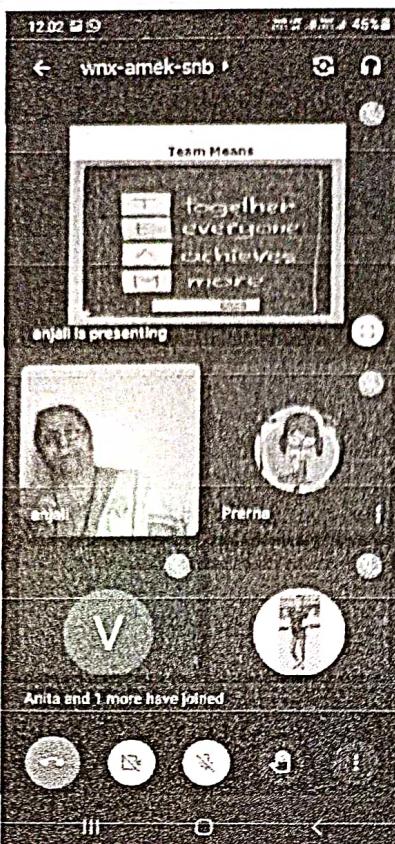

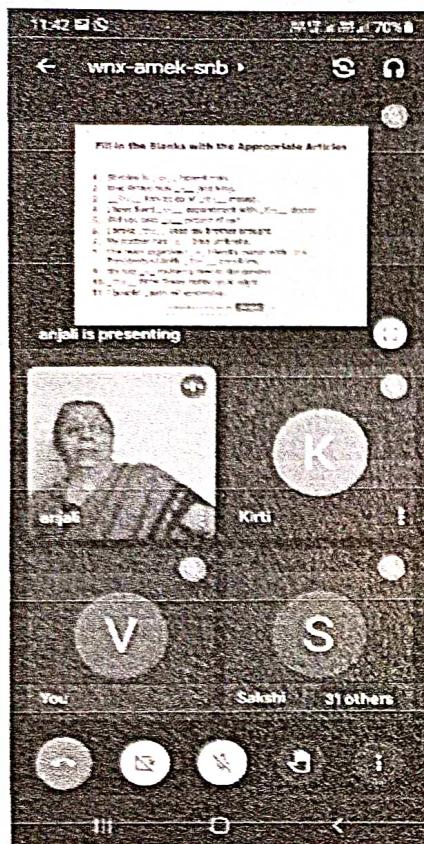

The series ended with the question answer session and the discussions on the feedbacks of the students. The details of the series held are as follows.
