With reference to issues raised by students, the following actions were suggested after considerable discussion.

After due deliberations it was decided that:

- 1) In case Students found it difficult to login during the examinations, they would be provided extra time for completing the papers. It was also decided to reschedule the exams in case students found it difficult to join at the scheduled timing.
- 2) For the Convenience of students, some important lectures were posted on YouTube. However since students required all the lectures, our faculties experimented with various Online Platforms such as Google, Zoom, Test Moz and Teach mint. They found that all lectures could be recorded on Teach mint and finally most of our teachers conducted classes on Teach mint.
