- Our college constantly works upon overall development of students. The College celebrates the Independence Day & Republic Day to promote social harmony. College organized various academic and co-curricular activities for the propagation of the **Fundamental Duties and Rights of the Indian citizens** among the students. It includes activities like quiz, talks and poster making. Under constitutional and national obligations we celebrate voters' day, Constitution Day which develops awareness about national duties among students. We celebrate AIDS Day, International Yoga Day, and International Women's Day etc to inculcate gender equality and unbiased approach towards women among students. We held programs like beach cleaning on International Coastal Clean-up day to make students aware about social responsibilities.
