Vision: The College continues to offer quality service in the field of education and upliftment of the tribal and lesser privileged Adivasis of the Palghar belt. In the next ten years, we aspire to add more vocational courses according to the demand of the times. We look forward to increasing ICT- enabled teaching and learning. Some more Science departments will be developed into Research Centres. We shall also venture into developing contacts with various industries to help our students get hands on training in commercial projects, facilitate job seeking and establish linkages. The Commerce faculty will be developed and will offer post graduate and management courses.

Mission: The Gokhale Education Society is committed to the cause of students' empowerment through access to education at all levels and particularly higher education. We aspire to develop world-class citizens through relevant courses under formal and non-formal streams. The Society is further committed to raise the dignity of the teaching profession and to establish a culture of caring and excellence by providing a wide range of professional and vocational courses for the poor and downtrodden as also for the adivasis and the less privileged. We also strive to meet the changing socio-economic needs with human values, social responsibility and to achieve excellence with total quality in all activities of lifelong learning.
